Nominee Name	Year	Nominated By
Eisenstock, Mark	72	Debbi Eisenstock (Spouse)

SPORTS:

Basketball, Baseball & Club Football

ATHLETIC ACHIEVEMENTS:

Marc has been long overlooked. He played every inning of every Varsity Baseball game from 1968 through graduation in 1972. Batted 3rd or 4th for all 4 years, hit over .300

and also hit some homers. He came to Brandeis as a catcher, but played all positions during the 4 years. As far as I know, he is the only Brandeis player to have played all 9 positions in baseball (yes, he pitched a complete game at St. Anselms) and also guard, forward and center in basketball. Captain of 1972 Baseball team. MVP of 1971 Baseball team. Most Outstanding Outfielder of 1972 Baseball team. Starting guard freshman year in basketball and then 6th or 7th man for the next 3 years. Always on the floor at the end of games due to outstanding foul shooting ability. Starting quarterback of football team in 1972 when Club Football returned to Brandeis. I am not totally sure of this, but I think that all of the teams he played on had records above .500.

After graduation, he served actively in FOBA for about 20 years before becoming President of FOBA for a 2-year Term. He was instrumental in the formation of the Brandeis Hall of Fame along with Jeff Cohen, Morry Stein, Bill Roman and Ruth Porter. (All of the people who dreamt up and formed the Hall are have already been inducted.)

OTHER ACCOMPLISHMENTS:

He has also served as a Sports Agent (to Rich Gedman among others), been a Head Basketball Coach at 2 colleges (Mt. Wachusett CC and Qunisigamond CC) and been an professional Assistant Coach to Dave Cowens for the Bay State Bombardiers of the original CBA when they were playing in Worcester, MA. While he was Gedman's agent, he was informed by former Red Sox Hall of Famer and scout Frank Malzone, that he had scouted Marc while he was at Brandeis. He wasn't signed because he was too slow a foot according to Malzone.

OTHER COMMENTS:

Marc would admit he was not the best athlete on any of the teams he played on. But he was certainly well above average and also has contributed as much as anyone has to Brandeis athletics.

OTHER ACCOMPLISHMENTS:

Ron is an MD/PhD and a Professor in the Division of Neuroscience at Baylor College of Medicine

OTHER COMMENTS:

In addition to his wonderful playing record at Brandeis, Ron was a fine example of a student athlete, and a great teammate. Coach Tom Foley would be the best source for more details.

Pitched in first televised collegiate baseball game in New England in 1964 at Brandeis Struck out 21 batters to Win a Sports Illustrated Bowl and appeared in Sports Illustrated Magazine, 21 Strike outs was the record for many years in collegiate baseball.

Fred pitched for four straight years for Brandeis University 1961-1964 Foxy Flumere and John Hughes were strong supporters and his coaches and helped Fred along.

OTHER ACCOMPLISHMENTS:

Retired from the Bank of Boston while serving in the commercial loans sector as a VP.

Presently selling Real estate through out the area as a side light in retirement.

Has raised four children all successful college graduates from well respected colleges.

Has done charity work for the American Cancer Society and Multiple sclerosis and the American Heart Association and many other charitable organizations.

Has coached and organized multiple sports teams for men and women over the years Baseball, Hockey, etc.

Fred is live thespian and has been in many plays and commercials in the area over the years.

OTHER COMMENTS:

(Richard Marden) Fred Marden Bled Brandeis Baseball for four years back when the school had to struggle to have a team he pitched with a sore arm at times with the hope the team would eventually reach some level of respectability he could have signed a baseball contract with the major leagues out of high school and been a bonus baby instead of attending college for he came from a not so well to do family but he wanted the education and Brandeis gave him that chance that he grabbed and to this day he cherishes the education and he has passed this along to his children and others.

(Ed Gastonguay) I watched Fred pitch for three years. He carried a weak baseball team. He brought early recognition to Brandeis Baseball. I most enthusiastically recommend that he be voted into the Hall.

Despite great scoring ability, very unselfish, great team player, excellent passer. Don't have stats available, but undoubtedly one of the best all around players in Brandeis history and a consummate teammate. Helped lead the Brandeis team from the depths of a 1 or 2 win year (I believe) the year before he arrived, and 4 wins freshman year to above .500 seasons 3 years in a row and the championship of the Loyola Invitational Tournament in Montreal. He was the leader of the revival of Brandeis basketball under K.C. Jones.

OTHER ACCOMPLISHMENTS:

Outstanding person, great decency and integrity, love of outdoors led him to move west. Currently Budget Director, or some such financial administrator, at Lewis & Clark College in Oregon.

Myron was a defensive back from 1951-54. He was a starter all four years. Myron's reputation was such that the opposition would not pass to his side of the field.
 Benny Friedman, recognizing his talents, moved him to safety in the middle of the field. Our opponents had to determine what defense we were in before passing.
 Myron was often used as a running back but his strength was defense.
 Additional Information
 Myron has become famous in recent years for his literary accomplishments in writing children's books. He was recently recognized by the U.S. Library of Congress for his work in children's literature.

He was the last of a special breed of student-athlete at Brandeis. He was a valuable contributor and three-sport star. In fact, he was a coach's dream. For many years after graduation, Davie was a well-recognized football official at the college level, the only Brandeis grad to have this distinction.

ATHLETIC ACHIEVEMENTS:
 Both Ron Weinger and Bob Lerman wrestled in the light weight classes for several years at Brandeis. I think around 123 and 130. They were captains or co-captains and lost very very few matches during their careers. The rest of the team was rather weak but they rarely lost including teams from BC and BU.
OTHER ACCOMPLISHMENTS:
 Ron has been a highly recognized MD of Hematology/Oncology on the Boston North Shore as part of the Partners (Harvard) group practicing The Cancer Center, for some 30 years.
 Prior to that he was an Officer in the U S Army at several military posts in Texas: Fort Sam Houston, Fort Bliss, etc. Ron lives in Newton, Mass.

Basketball; Golf - Founder of golf program. Captain & MVP

ATHLETIC ACHIEVEMENTS:

I respectfully submit the name of the late Harold ("Hal") Zinn, Class of 1961, as a nominee for the Brandeis Hall of Fame. While Hal was an outstanding freshman and varsity basketball player at Brandeis, he clearly deserves the honor of becoming a member of the Brandeis Sports Hall of Fame based upon his unique and singular contribution as the initiator, founder, and inspiration for the very first mens golf teams at Brandeis circa 1959-1961.

When Hal first came to Brandeis, there was no golf team, there was no golf coach, there was no golf program. Through his hard work, drive, and with the enthusiastic support of the AD Benny Friedman (also a golfer), Brandeis was able to initiate Brandeis' very first golf team season in the Spring of 1959.

To quote a member of that golf team. Stuart Potter, esq.

"He (Hal) was the one who with unbounded energy, enthusiasm, and charm, recruited the players to play on the team, reminded them of practice sessions and matches, and, in general, imbued them with the commitment to drop everything and come out and play for the team and the school."

This nomination is a difficult one to document in terms of facts and figures, team and individual records, photos and newspaper accounts. Some 46 years have past since Hal Zinn graduated, and he passed away, some 20 years ago. So we must rely more on the memories of his family and his teammates.

The team competed, initially, with just an informal golf coach, and limited access to golf facilities. The team and individual records are long lost (unless the athletic dept has the archives), but suffice it to say, Hal Zinn was one of the finest collegiate golfers in New England and the Northeast. While the team undoubtedly had a losing record, Hal did not. In fact, according to Gary Grossman '62"

"Hal was No. 1.....and he beat the #1 guy at BC which enabled us to beat them 4-3 and therefore achieve the distinction of being the only Brandeis team to beat BC during my four years at Brandeis."

Martin Zelnick '61

OTHER ACCOMPLISHMENTS:

Hal Zinn was an outstanding junior and amateur golfer, and under different circumstances. might have played professionally. He did, in fact, win many amateur tournaments in the NYC Metropolitan Area, and was the youngest club champion at the Glen Oaks Golf Club. More significantly, Hal represented the USA in the 1965 and 1966 Maccabiah Games.

Hal Zinn went on to law school, became an attorney, and a distinguished career until his untimely death in the mid 1970's.

1983 Men's Cross Country (team members)		Adam Levin '94 (SID), Aaron Finkel '85, Joshua Spero and Joel Chariton

ATHLETIC ACHIEVEMENTS:

Second team in school history to win an NCAA Division III championship

ADDITIONAL INFORMATION

I believe it is time to honor the 1983 Men's Cross Country team on the occasion of the 25th anniversary of its winning the Division III National Championship. I see that two of its members (Misa Fossas and George Patriarca) are nominated for their own individual achievements. While I don't want to take away from their superb individual careers and will be a staunch supporter for their induction I believe the 1983 team deserves its place in the hall with the other teams. Has any other team won a national championship since this team did? How many won before they did. And, not only did the team win in 1983, but it had an unprecedented 5 members in the top-25 of the race earning All America Honors.

1. First and only national cross country national championship team.No other Cross country team has done it in Brandeis history

2. 7 out of the first ten spots in the New England Division 3 regional which Qualified us for the Nationals.
3. first 5 at the nationals all under 24:30 for 5 miles.
4. 10 runners under 26 minutes.
5. greatest accomplishment in the hall of fame Norm Levine's coaching career as well as assistant coach (another hall of famer at Brandeis) Buddy Bostock.
Team went on to win the New England winter and spring track championships.
6. Team had the highest grade point average of any team in any sport that year.
