

Homework “Feature-based Theories”

1. Create a table marked with binary features for the following co-hyponyms of the lexical field of visual perception:

See, look, spot, contemplate, peek, stare.

Some of the features that can be used (YOU HAVE TO ADD YOUR OWN!): [duration], [intentionality].

2. Suggest a set of prototype features for three of the following conceptual categories:

CLOTHES

FRUIT

MUSICAL INSTRUMENT

HOBBY

BUILDING

HOUSEHOLD APPLIANCE.
